Growth and Change in 2019!

Most of you know that the Beesley Animal Foundation was founded in 1980, and that the Beesley Animal Clinic started in 1992, right? Well, it's true. We've been at our current location for 14 years! We have been around a while and continue to grow and expand services to assist you and your furry ones as much as possible.

We are happy to say that our first full year of providing Wellness Services at the **Beesley Animal Clinic** has been a huge success. These Wellness Services are done by appointment only on Thursdays. These Thursday appointments are for Wellness Exams, Ear Cleaning, Skin Scrapes, as well as continued services like Heartworm Tests, Feline Leukemia Tests, Nail Trims, etc. **We are still open Monday-Thursday.** Vaccinations, Preventative Medicines, and Micro-chipping are done, **NO APPOINTMENT NEEDED**, Monday-Thursday.

Spay/Neuter surgeries are done Mondays-Tuesdays-Wednesdays. Surgeries still require application and payment to be submitted in advance. We want to continue to spay and neuter as many cats and dogs and possible while providing the same love and affordable pet care to help you and your pets.

If you have questions about our services, please visit our website or give the Beesley Animal Clinic a call at 615-890-6878!

Beesley Animal Foundation Events

We had another great year of events. We were able to raise money, talk about Beesley services and program, and accept donations throughout the community.

Paws & Pearls is our biggest event of the year and 2019 was no exception. We celebrated our **10th Anniversary Paws and Pearls.**

Please mark your calendar! Our **11th Annual Paws and Pearls** will be Saturday, April 18th, once again at The Grove at Williamson Place.

Barks and Bourbon was a new and unique fundraising event for **Beesley Animal Foundation.** It was a fun evening of bourbon tasting, heavy hors d'oeuvres by Goodness Gracious and music by Joey Fletcher and generously and graciously hosted by Belle Meadows Farm.

Each year we are thankful to be invited to participate in community events such as Belk Charity Sale, Renaissance Fair, Kelton's Pet Day, Bark Bash, The Big Payback, CoWoofing, Gamma Beta Phi's Chuy's Fundraiser, Bonefish Grill Fundraiser, Stones River Town Center Breakfast with Santa, and Paws & Claus.

We hope you will follow us on social media and check out our websites to see what events we will be participating in during 2020.

With money received from the following grants, the **Beesley Animal Clinic** was able to spay/neuter and vaccinate more cats and dogs in our community. Many thanks for these funding opportunities!

Petco Foundation Murfreesboro City Grant Tennessee Animal Friendly Grant

Community Foundation of Middle Tennessee— Funding was made possible through a grant from the Patricia & Edward J. McGavock Humane Treatment of Animals Fund

Thank you to our 10th Anniversary Paws & Pearls Sponsors, donors, guests and volunteers for your support! Gracious Host—The Grove at Williamson Place.

Memorial Gifts

Your donations given in memory or honor of someone do much to help our Foundation's programs. Any amount is appreciated. Those who donate \$100 or more will be listed on the **Memorials Page** of our Foundation website.

We rejoice with those who want to show their appreciation for someone living by making a special donation in his or her honor. We share the sorrow of those donors who have lost a beloved family member, friend, or pet.

The Foundation will acknowledge your generosity and notify the family involved of your gift.

Amounts are not disclosed in the notification.
